We ask that members use the court booking program on our website to reserve courts. If after booking a court your plans change please remove your booking so the court can be used by other members.

Moreover, the court scheduling app allows you to book up to an hour before your intended start time and no more than two weeks in advance.

We encourage you to invite potential new members to our club to play and guest fees will be waived for those that become a member this season.

Please feel free to call me at 443-621-6232 if you have any questions.
We are looking forward to seeing you and having another great season!

Doug Brookman,
Membership Chair
